New Business –

A) Kathy offered the idea that in September the elections and positions be taken care of right away so that in October the council members can each bring a friend to the meeting to involve more parents, guardians and community members.

B) Renee Gould chair of the council gave her resignation and will not be returning in the fall.

C) We decided that the flyer about school council needs to be updated and should be distributed to the Grade 8 parents of the feeder schools. Cyndi will forward the electronic version to Kathy and she will print and distribute them to the other schools for the council.
