

Are you interested
in having some
fun this summer?

Are you in grades
7, 8, 10 or 11?
This is for you!

Rotary Youth Leadership Awards (RYLA) Camp

Sponsored by the Rotary Club of Regina Oskaya
Rotary International District 5550

WHY RYLA?

Strong leaders are made, not born. Leadership skills are learned, not inherited. Rotary Clubs around the world are dedicated to helping young people like you develop your leadership skills to the fullest. We believe that RYLA Camp will assist you in realizing your leadership potential and have a whole lot of fun along the way!

WHAT WILL I LEARN?

Knowledge + Action = Results.

RYLA camp is focused on leadership development.

Join others your age in a camp atmosphere to learn skills

in self-management. Learn about yourself and others.

Learn how to interact with your peers. As you approach graduation, come and learn how to make critical decisions that will affect the rest of your life. Learn how to apply the knowledge you have learned. Learn how to be a leader and a follower. Learn how to trust and be a team player.

It's free!!

WHAT ELSE SHOULD I KNOW?

RYLA camp is an all-expense paid camp.

Learning is interspersed with recreational activities, camp fires and good food. The learning experience is set in Riding Mountain National Park on the shores of Clear Lake at Anglican Memorial Camp. It is extremely beautiful there. We will transport you there and back.

When you arrive you may not know anyone. By the time you leave you will have made friends that could last a life time. Camp RYLA proves you can have fun while learning and growing. It takes courage to push yourself to places that you have not been before. Test your limits. Break through barriers.

HOW DO I SIGN UP?

Rotary Clubs are seeking students with a good academic record, with involvement in school activities, sports or other non-school related activities.

There are two camps:

August 6-10, 2012 if you are in grades 7 or 8 and August 13-18, 2012 if you are in grades 10 or 11.

CONTACT your nearest ROTARY CLUB for registration forms and more information. Find your nearest club at
